INDIANAPOLIS—State Rep. Jerry Denbo (D-French Lick) said the district he represents received one-seventh of the Community Development Block Grants awarded during Monday afternoon's Community Focus Fund Awards ceremony.

It is an total investment of more than a million and a half dollars. I compliment the local leaders for their hard work and cooperation with state officials in obtaining the grant money. I have a close working relationship with the leaders of these communities. I cannot overemphasize the importance of cooperation between local entities and state officials. When this happens, the local community benefits from that trusting relationship."
